SUBJECT: Contract TM-3013
Proposed Schedule of T & M Rates
1 January 1959 to 30 June 1959

Dear Jim:

Our letter dated 17 December 1958 on the subject proposal was based on Accounting procedure which existed in 1958. It is our intention to revise the Accounting procedure, ^{for 1959} however, they have not yet been firmed up by our negotiations with the Government. Mr. Bodenheimer is aware of these new procedures and has suggested that we resubmit our proposals based on the new system. We are willing to do this; however such submission cannot be accomplished until negotiations with the Government are completed on the new procedures. It is hoped they will be finished within the next couple of weeks. Therefore, we wish to withdraw our proposal submitted in the referenced letter and advise that we will be submitting a new proposal as soon as required information becomes available.
